# MESSAGE FROM OUR LEADERSHIP

**Muhammad Kazim**

Founder & Lead Technical Consultant

At iVisionGate, our journey is driven with a passion for innovation and a commitment to pushing the limits of what's possible in the digital world.

With hands-on experience in the fintech industry, I've had the privilege of working extensively with Finastra's products at various levels—from support and customization to full-scale implementations. My background also includes working with Temenos T24, providing technical support for financial institutions.

Our aim is to deliver solutions that not only meet your business needs but exceed expectations through technical excellence and innovation.

This expertise allows iVisionGate to stay ahead in the ever-evolving fintech industry and offer our clients tailored, high-impact solutions.

This expertise allows iVisionGate to stay ahead in the ever-evolving fintech industry and offer our clients tailored, high-impact solutions.

# BRANDS WE HAVE BUILT

## Our Portfolio: Turning Visions into Reality

We have been fortunate to work with amazing brands across various industries. Here's a glimpse of some of the projects we've delivered:

[www.ivisiongate.com](http://www.ivisiongate.com)

Get an Idea?  
[connect@ivisiongate.com](mailto:connect@ivisiongate.com)

## Fintech Solutions – Leveraging Expertise in Finastra & Temenos

Our Founder and Technical Consultant Muhammad Kazim has extensive experience working on Finastra's online cash and trade solution and Temenos T24 core banking under the roof of reputable vendors. His deep involvement in support, customization, and implementation of these platforms enables iVisionGate to offer top-tier advisory and technical services in the fintech space. While iVisionGate has yet to implement Finastra and Temenos directly under its own brand, our leadership's deep experience working with these platforms enables us to offer unmatched advisory and technical services to financial institutions.

**Industry:** [Fintech](#)

**Princilap:** [Finastra](#), [Temenos](#)

**Technologies Used:** [Java EE](#), [Java Spring](#), [Angular Oracle](#)

[www.ivisiongate.com](http://www.ivisiongate.com)

[connect@ivisiongate.com](mailto:connect@ivisiongate.com)

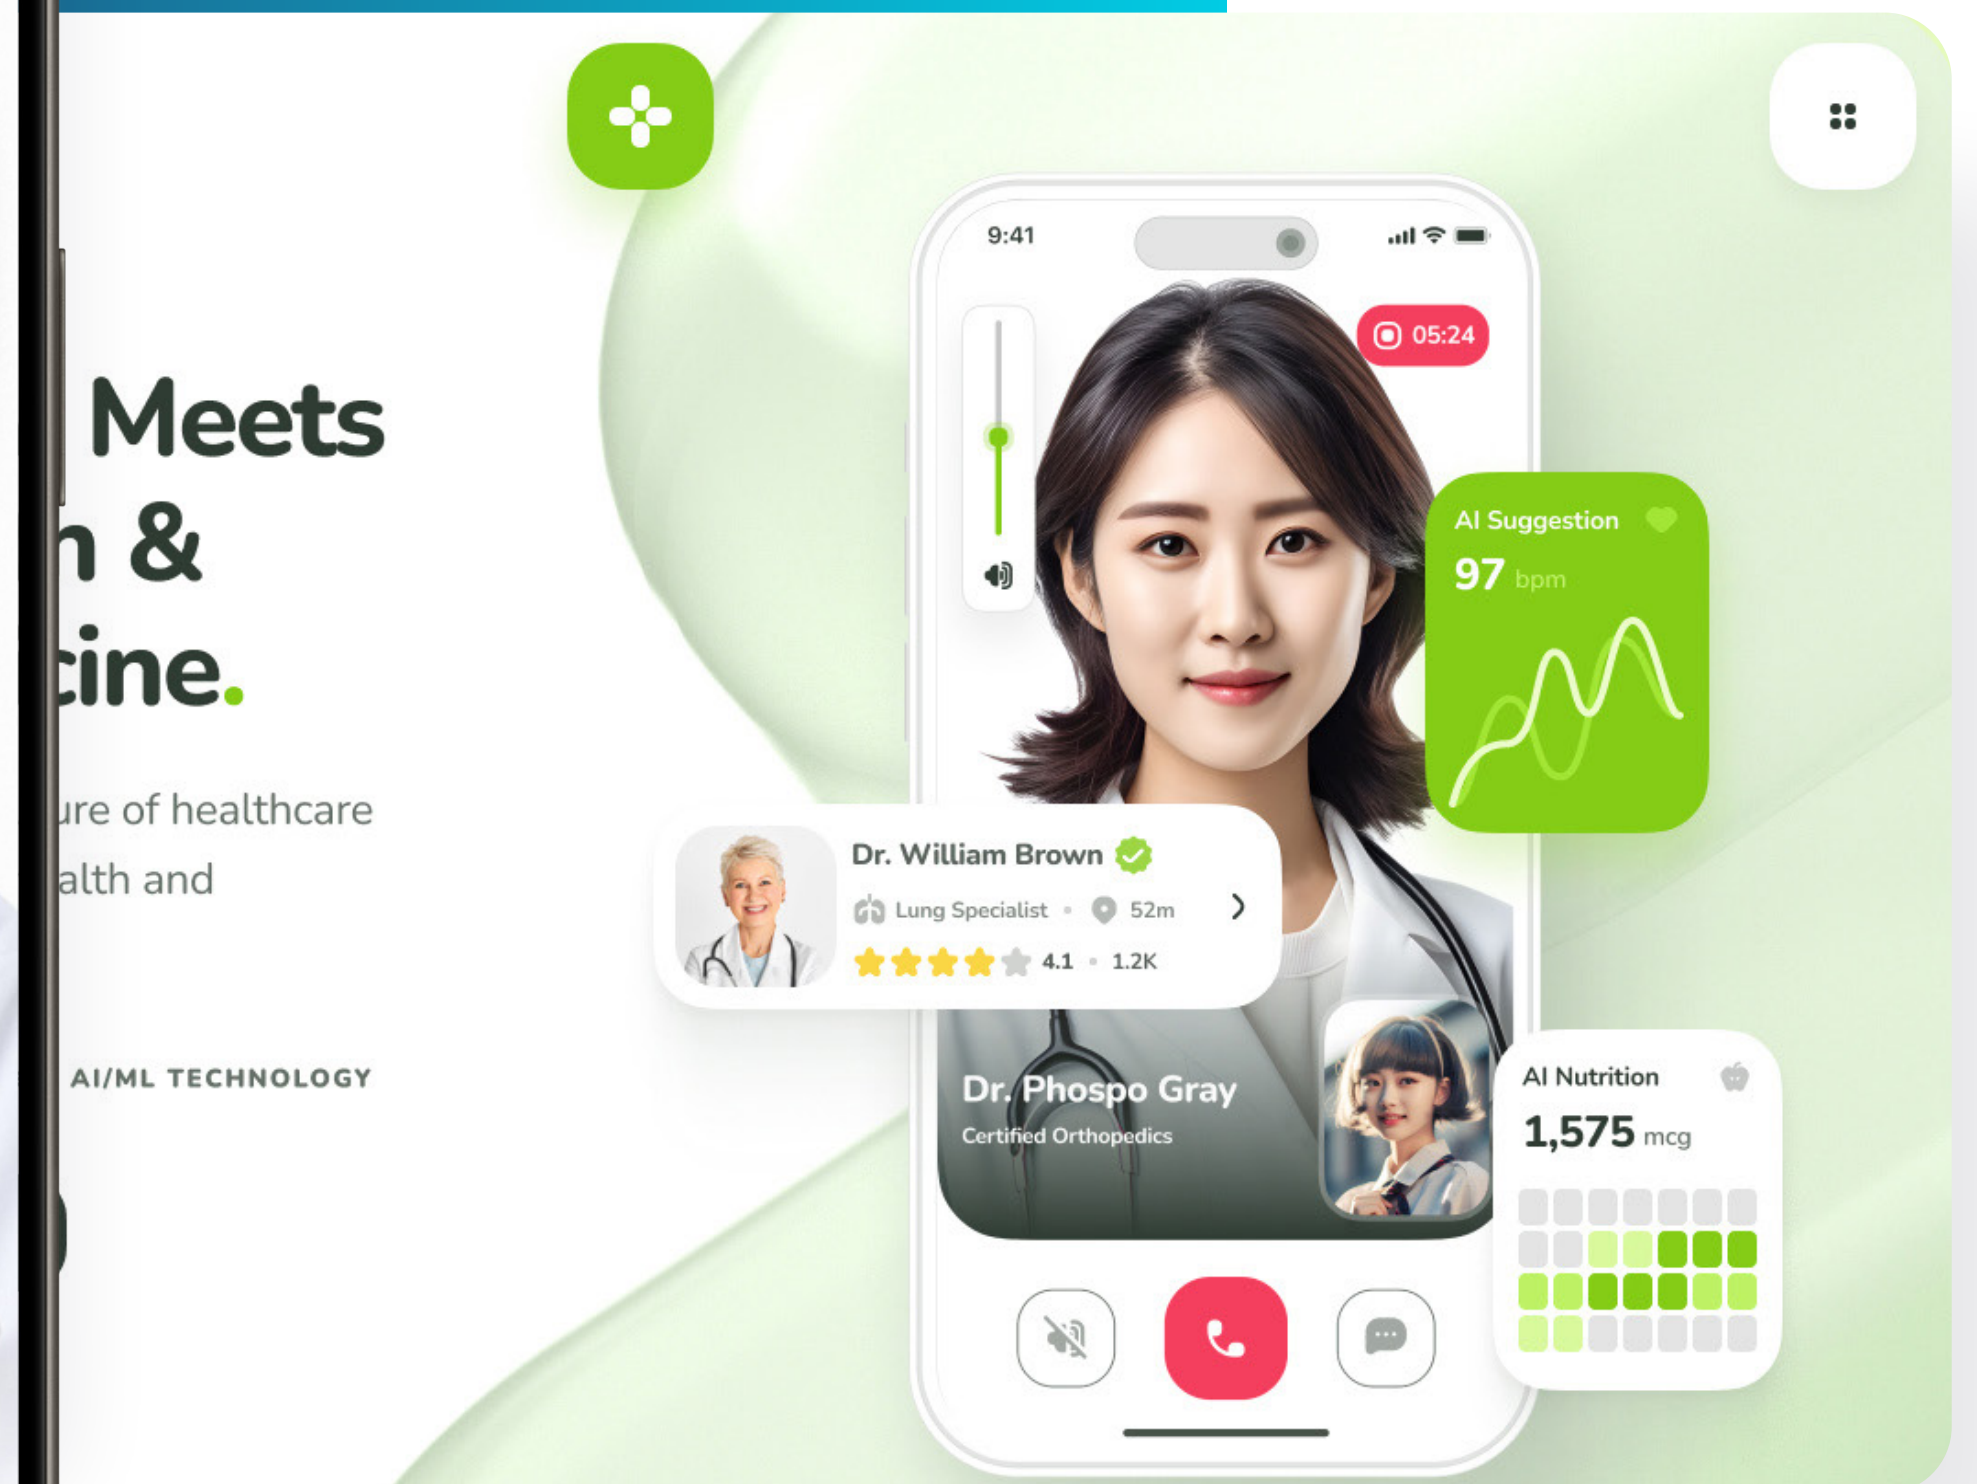

## MedConnect App – Revolutionizing Healthcare through Mobile Technology

iVisionGate developed a **custom healthcare application** for a leading healthcare provider, **MedConnect**, allowing patients to book appointments, access medical records, and engage with healthcare professionals in real-time. The app's secure, user-friendly interface not only improved patient engagement but also transformed the provider's internal operations, making healthcare more accessible and efficient.

**Industry:** [Healthcare](#)

**Technologies Used:** [Android](#), [iOS](#), [Firebase](#), [Node.js](#)

## Adamjee Textile ERP – Transforming Operations in the Textile Industry

In collaboration with **Adamjee**, we have implement the **custom ERP** to their production and supply chain needs. The solution integrated with existing systems, optimizing workflows, enhancing inventory management, and driving operational efficiency. Our solution enabled TextilePro to meet the demands of a global supply chain with greater flexibility.

**Industry:** [Manufacturing & Textile](#)

**Technologies Used:** [Java](#), [Python](#), [SQL Server](#), [Angular](#), [Node.js](#)

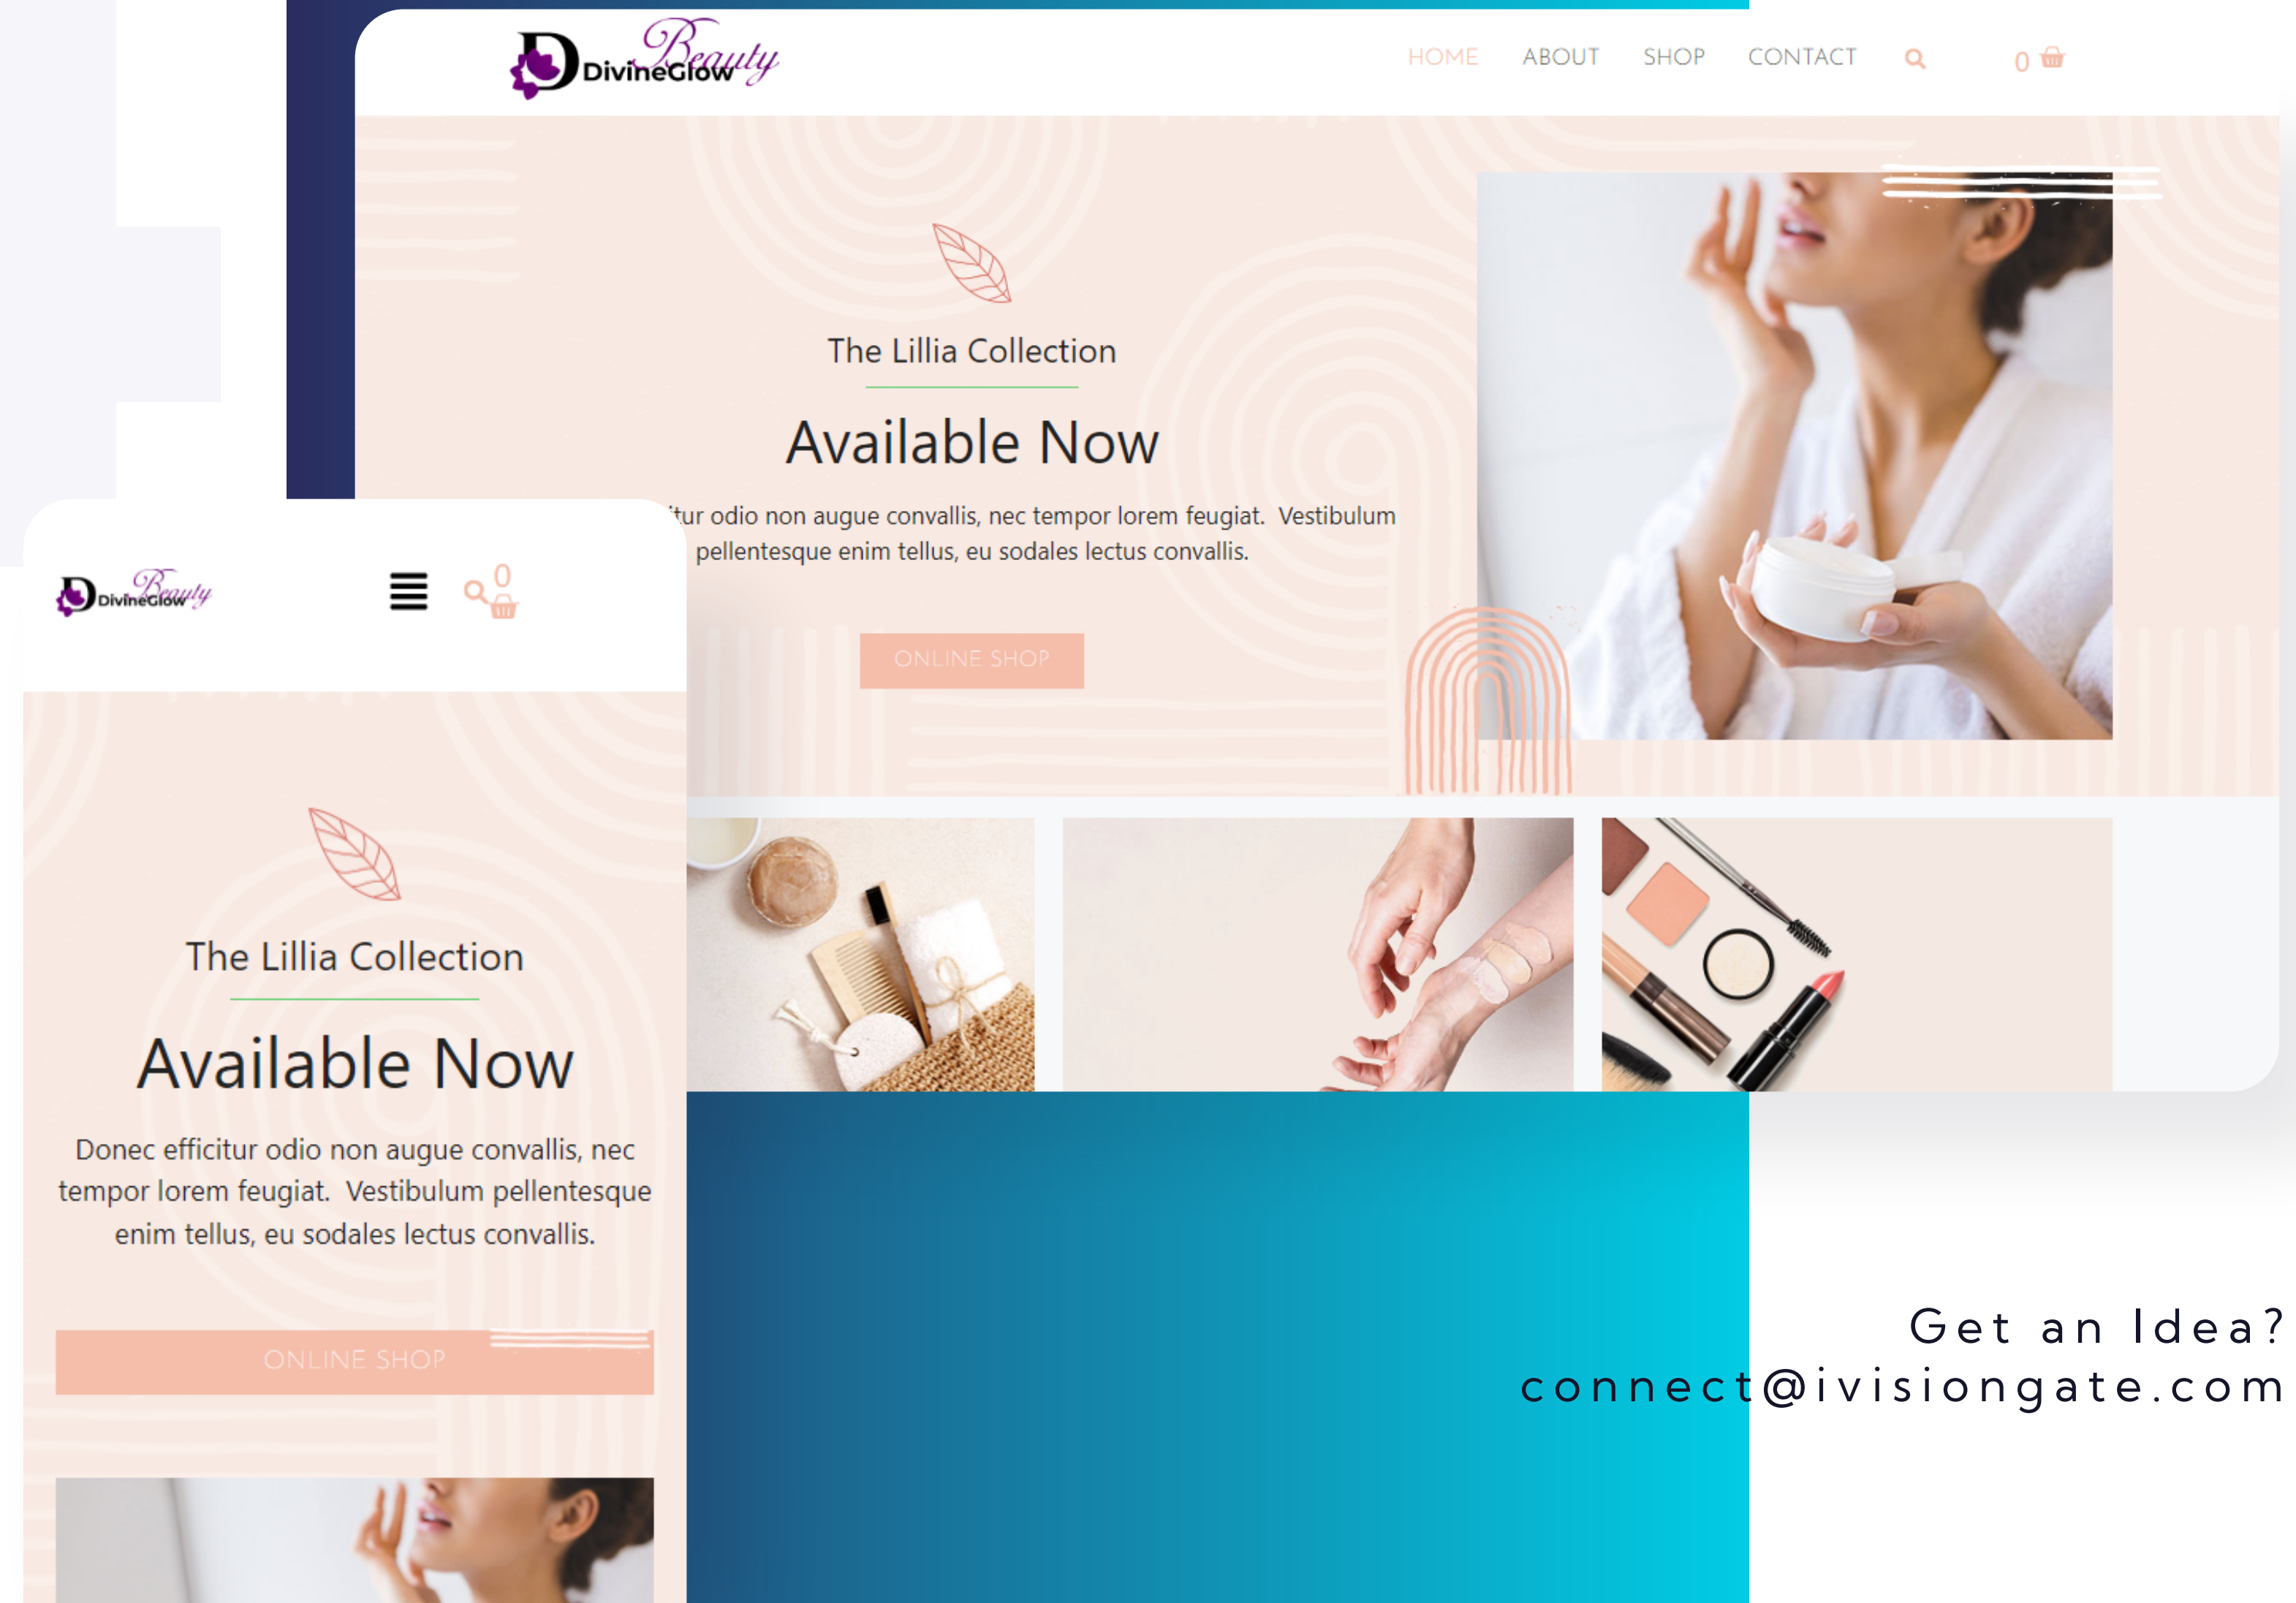

## eCommerce Platform Development – Enhancing Online Retail Experience

We partnered with an eCommerce brand to design and develop a robust online store that not only showcases their products but also provides a seamless shopping experience. Our solution includes features such as personalized user accounts, a secure payment gateway, and real-time inventory management, which have significantly increased their online sales and customer satisfaction.

**Industry:** [eCommerce](#)

**Technologies Used:** [Shopify](#), [WooCommerce](#), [Magento](#), [JavaScript](#), [Node.js](#)
